
Unit Test: informatable.017

Adam Di Carlo

Row valign test.

Para one. Para two.	Top align me.
Para one. Para two.	Middle align me.
Para one. Para two.	Bottom align me.

This one should look the same, we use valign setting on the tbody.

Para one. Para two.	Top align me.
Para one. Para two.	Middle align me.
Para one. Para two.	Bottom align me.
